1. All trades sold through a registrant are subject to suitability, regardless of investor category. Investment limits and categories, such as "eligible investor" status as established in other Canadian provinces may be applicable for investors in Newfoundland based on the issuer/company's home province and legal interpretation by the issuer and/or applicable Exempt Market Dealer.
 2. Investor has a personal income of at least \$200,000, or combined income with their spouse of \$300,000 in the past 2 years, and reasonably expects to meet or exceed the applicable amount in the current calendar year.
